

- 1) First you click on the start button located at the bottom left.

2) Next, you want to search "Cisco Packet Tracer" on the search bar.

The image shows a Windows Start menu search bar. A large red arrow points down to the search bar, which is circled in red. The search bar contains the text "Search programs and files" and a magnifying glass icon. The Start menu is open, showing a list of programs including Log off, _Software, Microsoft Word 2010, Internet Explorer Browser, and Mozilla Firefox. The search bar is located at the bottom of the Start menu.

If you have a disabled computer or other issues, please contact the Resource Center staff to coordinate services at 459-4806 (TTY).
